Did U Know?

Did you know that RCQA can...

- QC[*] your record on ClinicalTrials.gov before release,
- Assist you with registering your study on ClinicalTrials.gov,
- Facilitate the correction of problems on ClinicalTrials.gov records,
- And more! Contact us at CTgovUM@miami.edu.

To request a meeting or QC (pre-release) of record, use the attached forms. Forms will be available on our new website, coming soon.

*QC of your record involves a detailed review that compares the ClinicalTrials.gov record to the latest IRB approved study protocol, ICF, and/or published articles for data integrity, accuracy, and consistency.

If you have additional questions regarding CTD support, do not hesitate to contact us at ctgovum@miami.edu.
